These clinics are not like traditional clinics. Instead of us dictating the skill covered, the athlete will tell us what skill they would like to work on. For example, if serving is an area of need, just let the staff know upon arrival and serving will be a skill that is focused upon. No skill request will be ignored.

Wear athletic attire and bring a water bottle

The clinics will be run by the UAlbany Volleyball staff and team

COST
$25 per session

Group Discount:
If you have 4 kids from the same program or school together, then the 5th athlete can come for free!

Advanced registration not necessary, please complete the attached registration form and waiver. Only one form per year is needed.
