### TODAY'S STORYLINES

#### UAlbany Opens America East play against UMass Lowell

The University at Albany begins its try for a 10th America East championship when it opens league play Saturday, March 16, against UMass Lowell at Tom & Mary Casey Stadium. Faceoff is set for 4 p.m.

The Great Danes have won the league tournament each of the past two seasons and in three of the past four. The program has an all-time 71-20 record in league play, and UAlbany has lost only twice to a league opponent since 2013. The Great Danes haven't lost a regular-season home game to an America East team since April 28, 2012 (Stony Brook, 12-11).

UAlbany is coming off a 14-9 loss to No. 7 Maryland this past Saturday at Casey Stadium. The game was part of one of the most challenging non-conference slates in the country. The Great Danes have played two Top 10 teams and four who competed in the 2018 NCAA Tournament.

UMass Lowell is 3-3 overall following Tuesday's 14-4 road loss to UMass. The River Hawks are led in scoring by Cory Highfield's 20 points (12 goals). Goalkeeper Grant Lardieri has a 10.08 goals-against average and .493 save percentage. This will be UMass Lowell's fourth straight road game.

## HONORING THE THOMPSONS

Lyle and Miles Thompson, two of the most decorated men's lacrosse players in University at Albany history, are honored in the "People of New York" exhibit that opened Thursday, Feb. 14, in the State Capitol building.

The exhibit, whose opening was announced by Governor Andrew M. Cuomo, "features the people of New York - past and present - and their firsthand accounts of perseverance and migration."

"The First Peoples" portion of the exhibit includes life-size cutouts of the Thompson brothers, and accompanying text details their achievements for UAlbany. In the images, they're wearing uniforms of the Georgia Swarm, the National Lacrosse League franchise for which they now play.

Born in Onondaga Nation, near Syracuse, N.Y., Lyle and Miles became two of the most celebrated lacrosse players in the world while at UAlbany. Lyle was the first male recipient of the Tewaaraton Award in consecutive seasons, and he set new NCAA Division I records for career points (400) and assists (225). As a senior at UAlbany, Miles was the co-recipient of the Tewaaraton Award with his brother and set a NCAA Division I record for most single season goals (82).

They both were drafted by the Swarm, Miles as the No. 3 overall pick in the 2014 NLL Draft and Lyle as the No. 1 overall pick in the 2015 NLL Draft. In 2017, the tandem was instrumental in the Swarm winning its first world championship.

## 2018 IN REVIEW

The University at Albany men's lacrosse team's historic season culminated with the program's first appearance in the Final Four. It was, without question, one of the most storied campaigns in Great Danes history. UAlbany began with a 15-3 win at Syracuse, a victory that would help vault the Great Danes to the No. 1 ranking in both national polls. In fact, men's lacrosse became the first SUNY team to be ranked No. 1 in a Division I sport. That set up a nationally televised No. 1 versus No. 2 matchup with Maryland on March 10 – a game UAlbany stormed back to win, 11-10, on the road. The Great Danes spent five weeks as the country's No. 1 team on their way to a second straight America East championship. In the NCAA Tournament, UAlbany defeated Richmond in front of 4,800 fans at Casey Stadium and then beat Denver on Long Island to reach the national semifinals for the first time. The Great Danes picked up many individual accolades along the way, sweeping the major America East Awards and having 11 all-conference players, including eight on the First Team. UAlbany finished 16-3 overall, a record that included a 10-0 mark at Casey Stadium.

Marr was also an assistant on the United States team that won the 1999 World Cup.

As a collegiate player at Johns Hopkins University, Marr was an attackman on the 1987 national championship squad and the '89 national runner-up team. The Blue Jays garnered four straight NCAA berths during his career. He received a B.S. in social and behavioral sciences in 1991.
